

Villa at Roque Costa Adeje

1680000€

Villa at Roque. Costa Adeje.

Luxury meets quality and design - sensational villa with 250m² of living space, illuminated pool with counterflow and spectacular panoramic views of the sea and the entire south coast up to the islands of La Gomera and La Palma.

The ground floor and first floor have a fantastic, modern, open space concept. The ground floor was designed as a 140sqm large loft, in which the social or family gathering is the central point: living, cooking and eating openly merge. A guest room, a bathroom (with window) and a guest toilet (with window) were received. The entire ground floor faces out towards the sea and the coast. Upstairs are the other three full bedrooms, each with en-suite bathrooms (with window), equipped. Each of the bedrooms has its own private terrace.

The fifth bedroom is connected to a connecting door to one of the master bedrooms. Ideal, for example, as a family room usable.

Private parking for up to six cars on the property.
