Luxury at the highest level, all combined with spectacular views of one of the finest golf courses in Europe and the coastline from the south of Tenerife. Floor-to-ceiling glazing guarantees great views from virtually any area of the villa.

The first floor consists of an entrance hall that connects to a spacious living room with an open, quality and fully equipped kitchen. Pantry, direct access to the garage which has been converted into a hobby room and two en-suite bedrooms are also located on this level. The glazed living room opens onto a terrace with an infinity pool and unique views. Upstairs is a bright, south-facing master suite with a large bathroom, spacious walk-in closet and sun deck that also overlooks a lush green golf course and deep blue sea. ...

A unique festival of colors, especially at sunset in the afternoon. A fourth bedroom, also en-suite, and another relaxation terrace with a small pool, round out all this floor has to offer. Comfort, light and modern interiors, large terraces, glass walls and an infinity pool offer everything you could wish for a luxurious and relaxing life in one of Tenerife's most coveted areas.
